

# Handy Guide - Television

## Ante Room Television

If you are holding a meeting then you can use our television in the Ante Room to show the your minutes and agenda or any presentation by Connecting your laptop via an HDMI Cable.

### Step 1:

Switch on Tv at the wall

### Step 2:

Power on TV using the remote

### Step 3:

Look for the AV button, press this until it selects HDMI. This will be shown on the tv, on the top right hand corner of the screen.

### Step 4:

Plug in the HDMI lead which is attached to the tv into your laptop HDMI port.

The tv will now display what is shown on your laptop.

**Please note** : You will need to take your own laptop with you.
